- Satisfactory completion and submission of the required hard bound copies of thesis, and electronic copy of manuscript.

PROGRAM DESCRIPTION

The College of Medicine is the oldest unit in UP Manila. It was established in answer to the pressing need for more doctors in the country. As the college fast approaches the end of its first one hundred years, it renews its dedication to excellence and leadership in medical education, research and service which is community-oriented and directed to underserved areas.

PROGRAM OBJECTIVES

The program aims to provide complement academic medical education for those interested in an academic and/or research career in Surgery.
